

## **Clinical Research Fellow – Stroke Medicine**

Counties Manukau District Health Board (CMDHB) in association with the Centre for Clinical Research & Effective Practice (CCRep) at Middlemore Hospital is seeking to appoint a Clinical Research Fellow in Stroke Medicine to work on a number of research projects. The position involves approximately 50/50 Clinical Medicine and Research.

This is an exciting opportunity which is particularly suited to SHO's and Registrars who enjoy the challenge of clinical research and who wish to pursue a career in Stroke Medicine. CMDHB has a strong research focus and aims to recruit the majority of its patients into clinical trials.

Commencing ideally mid 2010 for 12 months.

Registration with the Medical Council of NZ is essential. To ascertain eligibility please go to [www.mcnz.org.nz](http://www.mcnz.org.nz)

For a confidential discussion please contact Edward Wong - Clinical Head Stroke Medicine +64 21 242 6574, [Edward.Wong@middlemore.co.nz](mailto:Edward.Wong@middlemore.co.nz) Applications can be made online at [www.countieshealthjobs.com](http://www.countieshealthjobs.com) or email Nicole Nairn in the Recruitment Centre, [nicole.nairn@middlemore.co.nz](mailto:nicole.nairn@middlemore.co.nz)

Closing date: 15th May 2010.
