

Multiple Sclerosis/Neuroimmunology Fellowship at RPAH/Concord Hospitals and the BMRI

A Fellowship in Multiple Sclerosis (sponsored by Merck-Serono) is available at the Brain & Mind Research Institute, University of Sydney and Royal Prince Alfred/Concord hospitals, commencing January 2011. RPAH and BMRI have an established MS Programme and are recognised leaders in the field. Participation in the multiple sclerosis and neuro-immunology clinics at the BMRI and RPAH/Concord hospitals forms the core clinical component of the structures Fellowship, which is aimed at Neurology advanced trainees who wish to develop both clinical and research expertise in the field of neuroimmunology/multiple sclerosis. Appropriate research may contribute toward an MPhil (Medicine) or, for individuals who wish to pursue an academic career, be undertaken with a view toward subsequent study for a PhD.
