

**UNIVERSITY OF EDINBURGH  
DIVISION OF CLINICAL NEUROSCIENCES**

**CLINICAL RESEARCH FELLOW IN STROKE**

**ADVERT**

Applications are invited for a full-time Clinical Research Fellow to join our world class stroke research group for a three year project to continue our highly innovative Neuroimaging research on causes of cerebral small vessel disease. You should have an interest in stroke medicine, neurology or geriatrics, have the MRCP, and will be responsible for patient recruitment, data collection and analysis, with others in the team. You will work with Professor Joanna M Wardlaw (Professor of Neuroradiology) and Professor Martin Dennis (Professor of Stroke Medicine) and will gain experience in all aspects of stroke care. The project is funded by the Wellcome Trust and the research work will be suitable for a MD or PhD. For further information, please contact Prof Joanna M Wardlaw ([k.shuler@ed.ac.uk](mailto:k.shuler@ed.ac.uk), tel +44 131 537 2943).

Salary Scale: AM2 starting at £30,231. Salary will be at an appropriate point on the scale depending on qualifications and experience.

**The closing date for receipt of applications is 2 December 2009.**

**Applications must be made via the university website ([www.ed.ac.uk](http://www.ed.ac.uk)) following the "jobs" link. There is no guarantee that late applications will be considered. Failure to follow the application procedure correctly and completely may result in the application not being processed.**
