

Stroke Clinical Fellow

The Royal Melbourne Hospital Department of Neurology is offering a 1-year stroke clinical fellowship position in 2022. This role will provide excellent exposure to stroke clinical medicine in a world class comprehensive stroke centre, including experience in the management of hyper-acute stroke, thrombolysis, endovascular therapy, cutting edge management of intracerebral haemorrhage, brain imaging, clinical trials, and prehospital stroke care on the Melbourne Mobile Stroke Unit (MSU).

Candidates who have completed 2 years of ANZAN neurology advanced training (core) will be considered. Depending on performance, there will be an opportunity to extend the 1-year fellowship into a higher degree such as a PhD.

Interested applicants are advised to contact Ms Dennise Salter, PA to Prof Bruce Campbell (Ph: 613 9342 8448, dennise.salter@mh.org.au)

Salary: \$75,000 pa.
